SONOMA IS SIX DAYS LATE

Six days late the S. S. Sonoma arrived this morning from the Colonies. She remained but a brief time in port, however, for she got away shortly after 1 o'clock for San Francisco.

The vessel was five days late leaving Sydney, having been detained making necessary repairs in the engine room. She left Sydney September 7, Auckland September 11, and Pago Pago September 16. The vessel lost another day after leaving Auckland.

She had pleasant weather to port, but from the Equator north, Captain Trask reports having encountered a marked westerly set of current. In fact the set was much more than usual.

The vessel brought seven passengers for Honolulu, among them being Judge and Mrs. A. A. Wilder. Miss Florence Crozier also returned.

The vessel has a very large crowd of through passengers for San Francisco. The vessel took the members of the Southern California Editorial Association, as well as an number of other passengers, from this port.

Purser Hodson is not with the vessel this trip. His wife was ill in Sydney so he remained behind. A. G. Conquest is acting as purser.

SONOMA TURNED BACK

RETURNED TO HER BERTH AFTER LEAVING THE HARBOR ON ACCOUNT OF FIREMEN.

The Oceanic steamer Sonoma was forced to return to her wharf this morning after starting for San Francisco. There was a strike in the engine room.

A number of the firemen were drunk and they refused to steam up. The liner soon became helpless in the stream and could just get back to the wharf where she was boarded by Fred Whitney who took aboard some other men and the pillika was soon paid and the liner started again on her voyage. The men in the engine room made several demands but they were those of drunken men and were not considered even for a moment by the agents here.

THE POLITICAL CONVENTIONS

DEMOCRATS ADOPT A PLATFORM

ELECT PERMANENT OFFICERS OF CONVENTION AND HEAR SPEECHES FROM MEMBERS.

The Democratic convention reconvened at 1:30 o'clock this afternoon. The report of the committee on credentials was adopted. There were no contests over the delegates. The report of the committee on rules and order of business was then received and adopted. The committee on platform was not ready to turn in its report. It is understood that a number of changes from the first draft of the platform are to be made. It was originally proposed to declare against the refund measure, but this plank will not be adopted by the party. It is also un-

KEKAUOHA IS TO RUN AGAIN

THE EX-DEPUTY SHERIFF OF KOOLAULOHA IS TO BE A CANDIDATE ON HOME RULE TICKET.

George K. Kekaouha, ex-Deputy Sheriff of Koolauloa district, is to have the nomination for Deputy Sheriff again, but this time instead of being a good Republican he will be a candidate on the Home Rule ticket. It was this morning that Kekaouha took the oath to support the Home Rule platform and in return for his service in vowing to uphold their platform he is said to have been promised the nomination. Among the different members of the convention there is no doubt but that Kekaouha will be nominated and elected from his district.

Notley, the president of the Home Rule party, presided, and asked Rev. J. Kekipi for an invocation before the regular business was commenced. The roll call showed fifty-six delegates present and twenty-one represented by proxies. The committee on credentials appointed by the president were S. K. Mahoe, D. Kaona and William Kahibau. The convention took a recess

DEMOCRATIC PLATFORM

The representatives of the Democratic party of Hawaii, in convention assembled, do hereby reaffirm their allegiance to the National Democratic organization and the principles to which the Democratic party has adhered from its formation, and particularly do we declare our allegiance to the intelligent and statesmanlike application of those principles in modern times in dealing with trusts, combines and other manifold evils resulting from the rapid encroachments of organized capital upon the rights, freedom of action and safeguards of the individual.

We congratulate President Roosevelt for rising above his party and the leaders of his party in applying to the public service and to corporations and trusts the checks and regulations demanded by the Democratic party since 1896, then publicly denounced and now secretly approved by the leaders of the Republican party, but still more do we congratulate ourselves upon the far reaching faith and steadfast courage of William J. Bryan, the recognized leader of the Democratic party who, through good and ill repute, in spite of repeated defeats that seemed overwhelming and conclusive, in the face of countless personal and political attacks, and deluged with derision in the open paved the way for far reaching reforms of inestimable value to his fellow citizens and posterity, and in this connection we express our high approval of the patriotic record made by Democrats in both houses of Congress in upholding the hands of President Roosevelt without their help, defeat awaited him at the hands of a Republican Congress upon matters vital to the public welfare.

We deplore the conditions brought about in this Territory through the

Republican system of organization, resulting in the building up of a political machine and its attendant combinations a course of action contrary to the spirit of the constitution, destructive of individual liberty, and having as a direct consequence the recent choice of candidates in that party's Convention by secret ballot—an unheard of course in the annals of political conventions.

We declare against efforts being made to secure special financial or other legislation for this Territory, whether in the shape of a refund of customs dues collected or in any other manner, relying on the good judgment and sense of justice of the President and Congress for such financial or other aid as may be necessary to our internal development and which it is customary to grant to Territories, pledging our candidate for Delegate to Congress to secure desired assistance for the territory through the proper channels.

We again declare the policy of the Republican party in this Territory, whereby large areas of land and valuable water rights are still being alienated from the public domain for the sole use of corporations or persons already possessed of large tracts of land and privileges, a positive menace to the upbuilding of an untrammeled electorate in these islands and we pledge our Delegate to Congress to secure local application of the spirit of American land laws, preference being given the landless elector in our Territory in any division of the public domain.

We denounce the platform utterances of the Territorial Republican organization relative to capital and labor, trusts, monopolies and combinations of capital, and amendment of the Organic Act in

BERGER CABLES FOR FIFTEEN HUNDRED

CAPTAIN BERGER CABLES TO SUPERVISOR SMITH ASKING THAT MONEY MAY BE SENT FOR BAND'S RETURN—COHEN WISHES THE BAND TO STAY EAST UNTIL THE LAST OF OCTOBER AND BERGER WANTS TO COME HOME.

The band wants to come home and Joe won't let them. At least that is what is gathered from the cablegram received by Chairman George W. Smith of the Board of Supervisors. The boys are in Omaha and this morning the following was received by Chairman G. W. Smith.

OMAHA, September 24.—To George W. Smith, Cohen claims cannot return before end of October. We prefer to go now. If you want band immediately cable fifteen hundred Omaha and arrange steamer passage. Answer. BERGER.

Supervisor Smith stated this morning that he was at a loss to understand the message. He stated further that there were no funds to send the band.

The band money has been expended on the roads of the county.

Supervisor Moore stated that the agreement that Cohen had with the county was to the effect that the band was to be brought back about the first of October.

It is the opinion of many that Joe Cohen is just beginning to realize on the venture as it is getting cooler in the east and the crowds will go to the theater at this time of the year. So Joe wishes to keep the band east as long as possible that he may come out even on the deal.

A special meeting of the supervisors may be called but it is not thought that the matter will come up until the Thursday night session.

FUMIGATING MATERIAL OUT

ENTOMOLOGIST CRAW CABLED TO SAN FRANCISCO FOR FRESH SUPPLY.

There is a shortage of carbon bisulphate with which to do the fumigating. Territorial Entomologist Craw states that the extensive fumigation of Japanese rice recently, has exhausted the stock on hand. In fact there is practically none of the stuff on hand among the local drug stores. He cabled to San Francisco last week for a rush order of the drug so that the fumigation can be kept up.

It is expected that considerable rice will be landed here from the S. S. Mongolia and as that consignment is almost certain to require fumigation efforts are now being made to secure the drugs necessary to do this work.

STEAMER TO START FROM AZORES

BOARD OF IMMIGRATION IS NOTIFIED OF THE CHARTERING OF A VESSEL.

The Board of Immigration has received definite advice regarding the chartering of a steamship by Collector Stackable in the Azores, as reported in The Star sometime ago, and the departure of the vessel for Hawaii. The vessel in question is the S. S. Suveric, and she has been engaged by Stackable to leave the Azores about October 15.

The cable received from Stackable says: "S. S. Suveric chartered. October 10-15 loading." This is taken by E. D. Tenney of the Board to mean that the vessel has been chartered long as possible that he may come to be in the Azores on October 10 and to spend the following five days loading immigrants.

The Suveric is a new steamship of 4,920 tons register and owned by Andrew Weir & Company of Glasgow. From her description it is anticipated that she will bring from 1,000 to 1,200 immigrants.

For sometime after he arrived Stackable's mission looked like a failure. Then he was successful in getting immigrants and cabled an offer here of a charter of a London steamer. Before an answer reached him the steamer had been chartered by other parties. Subsequently he secured a charter of the Suveric, which is now expected to leave the Azores about October 15.

QUICKLY RELEASED MANCHURIA

INSTRUCTIONS RECEIVED FROM NEW YORK TO ABANDON THE LIBEL FILED HERE.

The \$50,000 libel against the steamship Manchuria was discontinued in the federal court this morning, and the vessel was immediately released from the custody of United States Marshal Hendry. The salvage question at issue, as to the services of the cableship Restorer, is to be settled in New York. The steamer is now free to leave here as soon as she is in fit condition for sea.

The discontinuance was filed this morning, by Ballou and Marx, in the following terms:

"Now comes the Commercial Pacific Cable Company by its proctors Ballou and Marx, and hereby discontinues its libel filed September 21, 1906.

"Commercial Pacific Cable Co.,

"By Ballou and Marx,

"Proctors."

Ballou gave out the following statement regarding the discontinuance: "We received word this morning from Clarence H. Mackay, President of the Cable Company, that the Pacific Mail Steamship Company had agreed to settle the matter of salvage in New York, and requesting us to remove the libel and to release the Manchuria. We have no further information as to the terms of settlement."
